

## Privacy policy (version August 2022)

Welcome to the website of Foodpartners International. Below you will find our privacy policy to inform you of the type of data we collect about you and how we use it. This privacy statement may be updated. Please check regularly for any changes. By using this website, you signify your assent to this privacy statement. If you do not agree to these terms, do not use this website.

### *Intellectual property rights*

The contents of this site, including brands, logos, drawings, data, product or company names, texts, images, etc. are protected by intellectual rights and belong to Foodpartners International or entitled third parties.

### *Limitation of liability*

The information on this website is of a general nature. The information is not adapted to personal or specific circumstances and can therefore not be considered personal, professional or legal advice to the user.

Foodpartners International makes great efforts to ensure that the information provided is complete, correct, accurate, and up-to-date. Despite these efforts inaccuracies can occur in the information made available. If the information provided contains errors or if certain information on or via the site is unavailable, Foodpartners International shall make every effort to rectify the situation as soon as possible.

Foodpartners International cannot be held liable for any direct or indirect damage resulting from the use of the information on this site. If you should find any inaccuracies in the information made available through the site, you can contact the site administrator.

The contents of the site (including links) may at any time without notice or notification be modified or supplemented. Foodpartners International offers no guarantees for the proper functioning of the website and can in no way be held liable for any malfunctioning or temporary (un)availability of the website or for any form of damage, direct or indirect, that may result from access to or use of the website.

Foodpartners International can in no case be held liable against anyone, directly or indirectly, in any way whatsoever, for any damage due to the use of this site or any other, especially as a result of links or hyperlinks, including, without limitation, any loss, work interruption, damage to programs or other data on the computer system, hardware, software or other of the user.

The website may contain hyperlinks to websites or pages of third parties, or refer to them indirectly. The placing of links to such websites or pages in no way implies any implicit approval of their contents.

Foodpartners International explicitly declares that it has no control over the contents or other characteristics of these websites and can in no case be held liable for their contents or characteristics or for any other form of damage resulting from their use.

### *Applicable law*

This website and disclaimer are governed by Belgian law. All disputes arising out of or in connection with this disclaimer will be referred exclusively to the competent court.

### *Data collection*

For the processing of personal data in the context of the activities mentioned in this statement Foodpartners International considers itself to be a data controller in the sense of the General Data Protection Regulation.

We collect information about your computer's browser, including the IP address and location of a person, browser type, operating system and the internet pages you visit. This enables us to display and design relevant content and services for that device.

Foodpartners International does not collect or process sensitive information about the contact person concerned, for example data revealing racial or ethnic background, political, religious or philosophical beliefs, trade union membership, health or sex life. If, due to certain circumstances, sensitive information is collected about an involved contact person, Foodpartners International will ask for the explicit, written consent of the involved person.

### *Security and confidentiality*

Foodpartners International takes all necessary steps to ensure the security of personal data. To ensure that data is protected against unauthorized access, unlawful use, loss or unauthorized changes, Foodpartners International uses various security techniques and procedures.

### *Cookie statement*

This website does not use cookies.

### *Contact*
